

## Corrections to be done to website Dsouzainfotech.com

1. While opening the website we get this D- - - need to be removed as it is delaying to open the main page as shown in below Screenshot

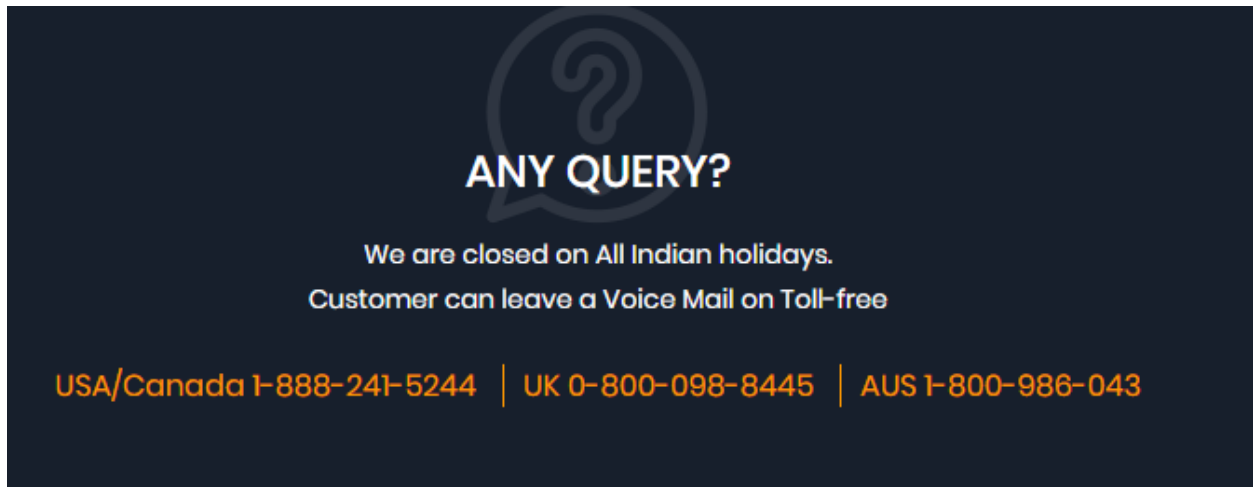

2. The alignment need to be done in proper manner, the words are broken all through the website need to be sequenced as seen in below marked in blue. This is just 1 eg.

3. We are closed on All Indian holidays.

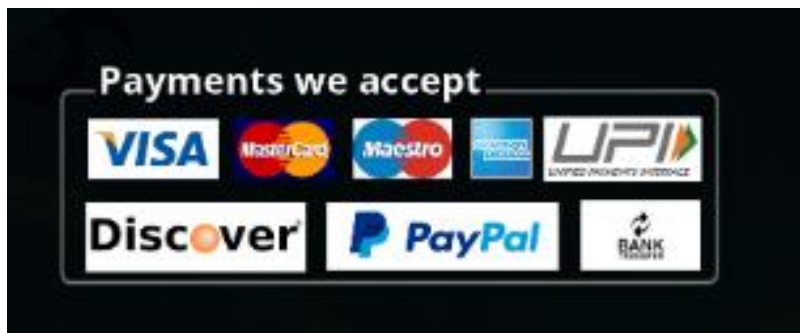

This need to be placed down below the contacts and in smaller font

Customer can leave a Voice Mail on Toll-free

Instead can be "Leave a Voice Mail on Toll-free"

4. Remove Indian payment mode like UPI

5. Add a link on Career page

In career page need to add a link to send and receive resume and related documents.

6. Under Product page need to replace the cyboscan to ccleaner
7. Integration is pending in **order now** in Plans page its not working
8. Calculated amount of saving other then monthly plan like eg. Save \$346 on monthly plan , \$840 on Quarterly plan , \$1470 on ½ Yearly plan & \$2625 on yearly plan need to be added in the plan slot highlight.
